**ZEN**

*Sinuous and perfect lines, just as those of nature, distinguish this mold. The exclusive shape by Silikomart Professional characterized by great flexibility and unique design. Beauty and simplicity merge with experience and creativity in this mold: A perfect balance between harmony and proportions.*

*It comes with a functional cutter to make original inserts and/or supporting bases perfectly combinable with the ZEN shape. Enables you to make semifreddos, mousses and baked creations with a perfectly delineated shape, like the one of a pebble smoothed by water.*

**Step by step use:**

• Fill half of the mold with the preparation.

• Cut the gelatin with the inside cutter.

• Insert the gelatin.

• Fill up the mold to the top.

• Level and put in the blast chiller.

• Unmold.

• Cut the sponge base with the outside cutter.

• Put the preparation on the sponge base.
