

# *the Smoking Gun™ Cloche*

## *Care & Cleaning*

The Smoking Gun™ Cloche is made of Borosilicate glass, which offers an improved resistance to temperature changes.

Thanks to the glass thickness and material, the Smoking Gun™ Cloche can be washed with any cleaning product and is even dishwasher safe.

**NOTE:**

Do not use any hard scouring pad to clean the glass of the Smoking Gun™ Cloche.

Do not use chlorine or any grease remover containing chlorine to wash the silicone valve.

To use the Smoking Gun™ Cloche, simply connect the Smoking Gun™ hose to the cloche valve. Operate the Smoking Gun™ as usual.
